# ABOUT UPTURN

Upturn delivers trauma-informed alternative provision across Rochdale and Oldham.

We support young people who need a different route to success through nurturing relationships, accredited programmes and personalised support.

Our aim is simple: to break down barriers, build confidence and help every young person achieve their full potential.

“

The support I've received has changed everything. I finally believe in myself and have goals for the future.”

## PATHWAYS TO SUCCESS

Our nurturing approach supports every learner to grow in confidence, develop new skills and build a brighter future.

### STEP 1 ENGAGE

We build trust and positive relationships in safe, supportive environments.

### STEP 2 BUILD CONFIDENCE

Through personalised support, we help learners develop self-belief, resilience and motivation.

### STEP 3 GAIN QUALIFICATIONS

We deliver accredited programmes and practical learning that open doors to new opportunities.

### STEP 4 PROGRESS TO COLLEGE, TRAINING OR EMPLOYMENT

We support every learner to take confident steps towards a successful and independent future.
